SKILLS

TECHNOLOGIES SKILLS

Programming Languages:
Golang • C# • Python • Javascript

Other Technologies:
Temporal • Istio • Docker • Kubernetes
ASP.NET CORE • Entity Framework
React.js • Next.js • DBMS • DigitalOcean
AWS • Git & GitHub • HTML • CSS
Bootstrap • Metabase • ~~ETX~~ • gRPC

CERTIFICATIONS

Kubernetes Administrator (CKA)
Kubernetes Developer (CKAD)
AWS Certified Cloud Practitioner
Linux OS Management

CONTENTS

YOUTUBE

ACID Properties
Explained ACID Properties in Databases.

Discrete Mathematics
Explained in this short videos the fundamentals of discrete structure.

HTTP
Explained the fundamentals of HTTP requests.

EXPERIENCE

MALAA | SOFTWARE ENGINEER
Jul 2024 - Present | 9 mos | Full Time

- Building financing products.
- Stack: Python, Temporal, and FastAPI.

TWEEQ | SOFTWARE ENGINEER
Jun 2023 - Jun 2024 | 1 year | Full Time

- Developed Fintech-as-a-Service (FaaS) API for B2B2C model.
- Implemented Know Your Business (KYB) processes for business onboarding.
- Integrated with services including Bureau, Wathq, and Yaqeen.
- Implemented card limit functionality with customizable daily, weekly, and monthly limits.
